

THE
SOLARIS
 TAROT JOURNAL

SPREADS, NOTES & PROMPTS FOR
 ENLIGHTENING CARD READINGS

The Solaris Tarot Journal is a handy notebook embellished with luxurious purple and gold Art Deco styling and designed specifically for recording your card readings. The thoughtful page layout and helpful prompts make it easy for you to keep track of your spreads and insights.

Created by a long time tarot enthusiast who's been working with many types of oracle decks over many decades, this journal gives you all the tools you need to support an enriching tarot card reading practice.

With a velvety deep purple cover and soft cream paper, the book exudes a distinguished esoteric quality. On second glance it offers much more than just good looks. The detailed page design for both monthly and general readings offer space for many kinds of note-taking styles and helpful meditation prompts. With time it will help create a valuable record of your personal readings - mapping your trajectory of growth.

ABOUT THE ARTIST:
 Amy Stafford is an award-winning designer, author and artist. She received her MFA in photography, then working in start-ups and a think tank before becoming an accidental entrepreneur. In 2002 she founded her design business, Blixa 6 Studios in the heart of former East Berlin. Here she creates custom designs, licensed graphics and physical products for clients around the world.
