

# Vehicle Maintenance is a Bitch

A JOURNAL OF SERVICE & REPAIRS  
FROM  
BLIXA 6 BOOKS

Make tracking routine automotive repairs easy with this cheeky little vehicle maintenance log book, perfectly sized to fit in your glove box.

**25 YEARS OF RECORD KEEPING:** Meant to be used for many years, this handy journal features 25 yearly maintenance records and over 500 individual entries for maintenance and additional services.

**25 YEARLY CHECKLISTS FOR:**

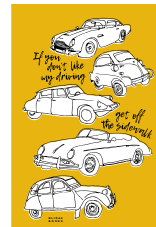

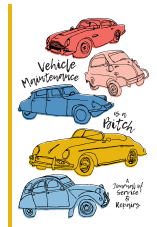

- \* Oil Change
- \* Rotate tires
- \* Tire replacement
- \* Wheel alignment
- \* Brakes serviced
- \* Spark plugs
- \* Air filter
- \* Fluid filter
- \* Transmission
- \* Belts/hoses
- \* Wiper blades
- \* Radiator
- \* Additional services
- \* Notes

**SIMPLE, EASY & CONVENIENT:** At 6x9 inches, the pages are large enough for comfortably filling out your details, while easily fitting in a work bag, center console or the glove compartment of your car.

**LOOKS GREAT:** The bright, playful design makes it easy to spot amid your car's papers. Filled with over one hundred pages of elegantly designed and easy to use logs, it keeps your data straight and clear.

**ABOUT THE ARTIST:** Amy Stafford is an award-winning designer, author and artist. She received her MFA in photography, then working in start-ups and a think tank before becoming an accidental entrepreneur. In 2002 she founded her design business, Blixa 6 Studios in the heart of former East Berlin. Here she creates custom designs and licensable graphics for clients around the world.
